If approaching on the A505, turn off the roundabout at the start of Royston bypass, towards Royston. The Club House is approximately a mile on the right close to the 30mph sign as you enter the town.

If on the A10 continue into the town, turning left at the first roundabout. Proceed along through the town centre past the Post Office pub. The Club House is half a mile further on the left, near the 40mph de-restriction sign.
